The Ten Commitments For Using your Personal Success Planner!

1. Use only one system- Your Personal Success Planner!
2. Keep it with you at all times.
3. Block two-three hours to plan each month
4. Use your monthly planner to schedule your priorities
5. Take 5-10 minutes to plan and organize every day based on your goals and high payoff
6. Prioritize each day – put first things first
7. Close out each day, Decide when you will complete each days unfinished business. Decide to discard it, delegate it, do it, or delay it by transferring it to another day!
8. Use the notes pages to record all your commitments and promises in one place.
9. Use the conference Planners to organize and group your communication
10. Track your progress toward personal and business goals
